Summer 2014

POOL INFO & MEMBERSHIP

The CRRA pool is open for public swimming on summer afternoons. Lifeguards are always on duty. Adult supervision is required for children aged 10 and under. The shallow end has wide stairs for entrance into 3 feet of water; the deep end is 6 feet with stairs to climb out. Each end has a shelf for sitting while relaxing in the pool. Showers are available at poolside and accessible restrooms are on site.

We have changed the way to pay and join our town pool this year! In order to better serve you (and your wallet!) and to be fair about any unforeseen closings, we have developed the following pool payment plan.

Season: June 25- August 17, 2013
(Closed July 4)

Hours: Monday– Sunday 12- 7pm

Fees for season:

Family Membership	\$ 165
Individual Membership	\$ 85
Senior Membership	\$ 25
Daily Pass per person	\$ 5

You can choose! You can pay for your membership in full at the beginning of the season OR you can pay on a daily basis until you reach the family membership total and then you will have obtained your membership and pay no longer!

We can not be responsible for pool closures. Our staff does an excellent job of maintaining a public pool, however, there are weather/ nature conditions that sometimes arise that make it essential to close the pool for short time frames. We follow all MA Health Dept. and Foxboro Board of Health Regulations any questions or issues can be addressed with these depts. We can no longer reimburse members for closures.
